

Sweet Sensations

Saturday February 11, 2012

Many of the shops and businesses in downtown Plymouth will be hosting a day of sweet sensations offered by local confectioners, bakers, and chefs. Participating businesses will each host a culinary artist who will share with shoppers

one of their special Sweet Sensation creations: candies, desserts, and other delectable treats. There will be opportunities for chef demonstrations, conversation, and maybe a recipe or two! Now that's Sweet.

Culinary artists are coming from around the region--Basic Ingredients of Bristol, Clay's Chocolates of Campton, 6 Burner Bistro of Plymouth, Mill Fudge of Bristol, Peppercorn Natural Foods, Crafters in Cahoots candy, The Underground Kitchen of Plymouth to name a few... and the list of participants is growing daily. The focus of the day will be to taste as the treats, meet with chefs and vote for your favorite Sweet Sensation!
